

# 2013 Trustee's Annual Report

This has been a busy year for the Trustee's. We have a new building chairperson (Dwight Latham) and a new grounds chairperson (Elsa Mortensen) who along with their team members have helped keep our facilities in good shape.

We had a variety of issues dealing with roof leaks, air conditioning problems, ground hogs, along with the usual drips and outages, office equipment maintenance and upgrades, kitchen appliance maintenance & repairs, upgrading thermostats and rental issues. A BIG THANK YOU goes out to all the team members who have kept OUR facilities up and running. We shared our space with the Baptist group from South Carolina while they helped with the aftermath of Hurricane Sandy. Another mission of the Trustee's was to facilitate in the parsonage renovation for our new pastor. We also had a hand in determining the projects that should be done with the Capital Campaign funds. The exterior brick cleaning and re-pointing project was an important one to have done and the plans for the handicapped ramp at the main doors are being worked on and should be an asset for years to come. The next year will hopefully bring us more building upgrades thanks to our Capital Campaign.

Respectfully Submitted,

*Sallie Trainor*  
Trustee President
