

## **Membership Projects 2012**

On Communion Sundays our members and friends sign their names in markers on the red bordered white labels so that each person is called by name. This will soon be upgraded to a name plate with a metallic pin.

On May 12 CUMC participated in the Piscataway Annual Street Fair next door at the Municipal Building on Hoes Lane. Our members and friends donated bottles of water to give out. Church activities were on display.
