

Worship Committee

This was a year of change for the Worship Committee. We have progressed from a committee of 3 regular meeting attendees, to no meetings and finally into a working team of 8 or more per meeting. Our responsibilities have also grown.

We strive to make all worship experiences spiritual and meaningful to a very diverse congregation.

The Worship Design Committee has added new and creative worship services. Our many choirs, Sanctuary, Gospel, Praise, Jubilee and Youth Ringers, MAD Team and Faith Weaver Friends as well as Dance in Motion, offer our congregation many ways to experience a personal faith experience.

We are thankful for our many Readers, Acolytes, Greeters and Ushers and strive to encourage all to take part in the leading of our services. Our Ushers' duty list has increased and they have stepped up to smooth our worship journey. Our Sound and Audio teams have enriched our services thru visuals as well as enhancing the sound system enabling all to actually hear and enjoy the words and music during services.

The Chancel Guild creates a worshipful environment for every service by arranging the altar and special decorations to emphasize the liturgical themes.

Our Communion Stewards steadfastly prepare the elements and clean up afterward for our 1st Sunday communion as well as for special services.

We wish to thank all those who have volunteered to help in any way to create a meaningful faith experience for our congregation and our visitors. Special thanks to Elreta Blackman for coordinating our Acolytes, Readers, Greeters and Ushers. Also to Lynn Stallworth for her many contributions with our music, dance & children's programs.

We welcome comments and suggestions and look forward to a very productive year.

Respectfully Submitted,

Lu Ebrado and Marge Hendrickson, Co-Chairs Worship Committee
